

```
$(document).ready(function() {  
  
    $('<div>.color-choose input</div>').on('click', function() {  
        var headphonesColor = $(this).attr('data-image');  
  
        $('<div>.active</div>').removeClass('active');  
        $('<div>.left-column img[data-image = ' + headphonesColor + ']</div>').addClass('active');  
        $(this).addClass('active');  
    });  
  
});
```
